GC2140/20 | Philips

We recommend using tap or demineralized water for all Philips steam irons. Demineralized water is the best option to prevent limestone build up in your iron. Please never use ironing or perfumed water in your Philips steam iron. By using these, your iron gets contaminated and might get damaged or fail.

How to Descale a Steam Iron | Philips

Please read the quick start guide on the packaging carefully to start using your appliance. Note: Keep the steam trigger pressed continuously when you move the iron over the fabric while you iron. Steam boost function (specific types only) Press the steam trigger twice quickly and release it for a high continuous steam output during 13 minutes.
